Driveline Vocational Training Driver CPC Modules 2011

Training courses taking place at Driveline Head Office, together with locations at Trenode training centre near Liskeard, Kernow Training at Summercourt and the Millenium hall at Portreath. Training can also take place at customer premises. The courses currently available are detailed below.

All drivers of vehicles in excess of a maximum GVW of 3,500kgs are required to complete seven hours vocational training every twelve months. As of 10th September 2009 existing drivers have "acquired rights" and as such will need to be compliant by 10th September 2014, i.e thirty five hours of vocational training must have been completed by this date to retain the right to use your licence commercially by gaining a Driver Qualification Card.

The current choices are:-

1. Customer Care	3.5hrs
2. Safe Loading of Vehicles	3.5hrs
3. Dealing with Accidents / Incidents	3.5hrs
4. Driver Welfare	3.5hrs
5. Checks and Defect Reporting	3.5hrs
6. Drivers Hours & WTD	3.5hrs
7. Digital Tachograph	3.5hrs
8. First Aid Awareness	7hrs
9. Driver Development	7hrs
10. Operator CPC Refresher	7 or 14 hrs
11. Emergency First Aid at Work	7hrs
12. Health and Safety at Work	7hrs

Courses are charged at £95.00 plus VAT for a single candidate for seven hours training. Extensive discounts are offered for multiple occupancy courses. Please contact our offices to make a booking or discuss any enquiries you may have.

SAFED (Safe and Fuel Efficient Driving) training is also available as a CPC module. Training is available upon request and is an in-vehicle module, as such being limited to two candidates per course. Refresher courses are only available to candidates who have completed the initial training and need to be completed in conjunction with an additional half-day module.
